

nanomicro biz

(Former Exhibition Micromachine/MEMS)

The world's largest exhibition focusing on Micro/MEMS and Nanotechnologies

ROBOTECH

Exhibition on next-generation service robot manufacturing technologies

Japan's leading international fair for the micro and nano processing technologies, Exhibition Micromachine/MEMS will be renamed as "Nano Micro Biz" and make further strides with ROBOTECH, the next-generation robot manufacturing technologies.

Discover superb opportunities
and innovative solutions
at the integrated business platform

3 – 5 July 2013 10:00–17:00
Tokyo Big Sight, East hall 2 (Japan)

(Tokyo International Exhibition Center)
3-11-1 Ariake Koto-ku Tokyo 135-0063, Japan
www.bigsight.jp/english

Sponsor: Micromachine Center
Co-sponsor: NMEMS Technology Research Organization
In cooperation with (planned to apply):
The Japan Machinery Federation / Japan Robot Association /
Japan Analytical Instruments Manufacturers Association /
The Robotics Society of Japan / Robot Promotion Council /
Information and Robot Technology Research Initiative (IRT) /
Japan Vacuum Industry Association

Free admission ticket

*Please bring this FREE ADMISSION TICKET to the registration counter
(Photocopy of this ticket is also acceptable).
*Without this ticket, the admission fee JPY1,000 is required.

Find more information at
www.micromachine.jp/en

Online visitor registration is now available

nanomicro biz showcases:

Nano–Micro processing, Nanoimprint, Modeling tool,
Nano/Micro application system, Nano/Micro device & module,
Measurement & testing tool, Nano/Micro foundry,
Other foundry services.
Institute, Organisation, Project.

ROBOTECH showcases:

Sensor devices, Actuator, IT, Embedded software,
Developing & Simulation software, Battery tech,
Test & evaluation, Materials, Research & education robot,
Manufacturing services, Consulting, etc.

Concurrent programs

- The 19th International Micromachine/Nanotech symposium
- Japanese–German Micro/Nano business forum
- MEMS packaging forum
- Exhibitor presentation and workshop on industry and university cooperation and more.

Concurrent fair: Thermotec2013
